

EDUCATION AI ASSISTANT

University Admission Guidelines

Fictional demonstration document — not an official university policy.

Service: University Admission

Audience: Prospective students

Purpose: Provide a demonstration knowledge source for admission questions.

1. Eligibility Guidelines

- Applicant must have completed secondary education or an equivalent qualification.
- Applicant must meet the program's minimum academic grade requirement.
- Applicant must satisfy the stated eligibility conditions for the selected program.

2. Required Documents

- Completed admission application.
- Academic transcript or equivalent academic record.
- Identification document.
- Supporting academic documents when requested.

3. Demonstration Requirements

Minimum academic result	70% or equivalent for the demonstration program.
Application window	1 September 2026 through 30 November 2026.
Document format	PDF preferred for uploaded supporting documents.

4. Application Rules

- Applications submitted after the demonstration deadline are treated as late.
- Incomplete applications may remain in Submitted status until required information is provided.
- The AI assistant may explain requirements but cannot approve or reject an application.
- Only an authorized reviewer may change an application decision.

5. AI Response Rules

- Answers must be grounded in retrieved evidence from this guide when the question concerns these rules.
- The assistant must not invent a deadline, grade, document, or eligibility condition.
- If another approved source conflicts with this guide, the assistant should report the conflict rather than silently choosing one.

Prototype note: Requirements, thresholds, dates, and decisions in this document are fictional and are included only to demonstrate the Education AI Assistant's RAG retrieval, evidence, source display, and application workflow.
