

EDUCATION AI ASSISTANT

University Teaching Position Guidelines

Fictional demonstration document — not an official university policy.

Service: University Teaching Positions

Audience: Lecturers and academic teaching applicants

Purpose: Provide a demonstration knowledge source for teaching-position requirements.

1. Eligibility Guidelines

- Applicant must hold the academic degree specified for the teaching position.
- Applicant's specialization should be relevant to the advertised teaching field.
- Applicant should have relevant teaching or instructional experience where required.

2. Required Documents

- Academic CV.
- Degree certificates and academic records.
- Evidence of relevant teaching experience.
- Academic or professional references.

3. Demonstration Requirements

Minimum qualification	Master's degree for the demonstration lecturer position.
Teaching experience	At least 2 years of relevant teaching experience.
Application window	15 September 2026 through 15 November 2026.

4. Position Rules

- Meeting minimum requirements does not guarantee appointment.
- Specialization relevance is assessed against the position requirements.
- Missing or invalid documents may delay review.
- Only an authorized reviewer may approve or reject an application.

5. AI Response Rules

- The assistant may explain qualification and document requirements.
- The assistant must not claim that a candidate has been selected.
- The assistant must not invent a vacancy, salary, interview date, or employment contract.

Prototype note: Requirements, thresholds, dates, and decisions in this document are fictional and are included only to demonstrate the Education AI Assistant's RAG retrieval, evidence, source display, and application workflow.
